

## DECLARATION

### Regarding Prescribed Textbooks and Supplementary / Private Publications

Academic Session: 2026 - 2027

This is to declare that Radcliffe School Dighi affiliated to Central Board of Secondary Education, has uploaded/displayed on the School website the list of prescribed textbooks, supplementary books, reference books, workbooks, and other educational material for all classes for the Academic Session 2026 - 2027.

#### The School hereby further declares that:

1. The School has prescribed NCERT textbooks wherever applicable and available in accordance with applicable norms, advisories, and guidelines issued by Central Board of Secondary Education from time to time.
2. In certain classes/subjects, supplementary educational material and publications of private publishers may additionally be used purely for academic, pedagogical, competency-development, experiential learning, language enrichment, practice support, remedial support, and skill-based educational purposes.
3. The prescribed books and supplementary educational material have been reviewed by the School through its academic review mechanism/Book Review Committee and are selected keeping in view:
  - curriculum alignment,
  - age appropriateness,
  - pedagogical suitability,
  - competency-based learning requirements,
  - child-centric educational practices,
  - and academic relevance.
4. The School confirms that it has carefully gone through the contents of the books prescribed for all classes and hereby owns full responsibility for the contents of such prescribed books/material.

5. The School understands and acknowledges that, in the event any prescribed book/material is found to contain objectionable, inappropriate, insensitive, unlawful, or non-compliant content, the responsibility for such content shall lie with the School and the School shall remain liable for action as may be initiated by Central Board of Secondary Education or any competent authority.
6. The School further declares that:
- no coercion is exercised upon parents/students for purchase of books from any particular vendor/source;
  - no commercial interest, commission, rebate, sponsorship, or financial benefit is derived by the School or its staff from any publisher/vendor;
  - parents are free to purchase books from the open market or vendors/platforms of their choice.
7. The School remains committed to maintaining:
- academic integrity,
  - transparency,
  - ethical educational practices,
  - regulatory compliance,
  - and child-centric pedagogy.
